It is 2022 and Nancamp is excited to announce we are again offering kids whose families who are dealing with Cancer, the chance to go to Summer Day Camp !!! There is no cost to the family.

Families can choose for their children to go to either Children’s Island, with the Marblehead LVO YMCA or Camp Simcah at the Jewish Community Center in Marblehead for two weeks.

For families that are not able to send their children to summer day camp, Nancamp is also offering a select number of CSA shares from Connors Farm in Danvers.
